Family Tree Organizer

"52 Specialized Tabs for organizing genealogy material"

The Family Tree Organizer

An Easy, Versatile and Professional way to organize your genealogy material.

Easy

- First: Gather your family history material together.
- Second: Use a paper hole punch to prepare the pages.
- Third: Insert the pages into a 3 ring binder which contain these 52 specialized Tabs.

Versatile

Customize your material either as a single surname binder or as a single state binder with multiple surnames.

Professional

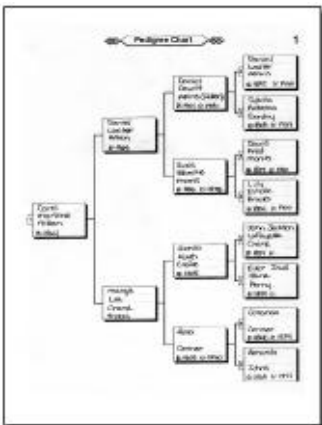

Printed on high-quality 90 pound index sheets, these 52 Tabs have reversed printing on mylar reinforced color tabs. The binding edge is mylar reinforced as well.
